Programs

Limitless Dance is committed to bringing the fun and challenge of dance to Stewiacke at an affordable cost. We will provide private and group dance instruction for all levels. We are pleased to provide programming in creative movement, recreational, pre-competitive and competitive levels. Limitless will provide a variety of classes for children of all ages and skill levels.

Creative Movement – Our creative movement program is designed for our 3-4-year-old dancers. Each month your dancer will explore a new theme complete with songs, movement games, and of course basic dance techniques. Creative movement explores sensory experiences that can lead children to appreciate the beauty of their own movements. Our program is similar to the goals of early childhood education programs where there are positive, non-competitive, success-oriented and creative experiences for young children who are valued. Classes are presented in an imaginative age-appropriate manner.

Recreational Program – The recreational program is designed for our 5-year-old to teen dancers who are looking to explore the world of dance. Student will learn techniques of their chosen dance style throughout the year. Combinations, routines, and technical work are used to allow students to develop at their own pace. Students will learn a dance routine that will be performed in our year end recital at the end of the dance season. The dance styles offered in this program is Jazz, Jazz Funk, Ballet, Acro & Hip Hop.

Pre-Competitive & Company Program – These programs are designed for dancers who wish to take their dance training to the next level.

The Pre-Competitive program is designed for dancers who are interested in joining the company (our competitive program). These dancers will be required to take classes to improve their technique and performance while developing necessary skills, including teamwork, determination, and self confidence.

The Company is designed for dancers who are ready technically and have developed those necessary performance skills. These dancers have required classes throughout the year and will attend dance competitions throughout the season along with our recital at the end of the year.
